Centex Homes

Roscoe Boulevard at Valley Circle
West Hills, California

PUBLIC MEETING ANNOUNCEMENT

It is DTSC's mission to protect public health and the environment from harmful exposure to hazardous substances.

State of California

California Environmental Protection Agency

The Department of Toxic Substances Control (DTSC) will host a public meeting to discuss the environmental investigation workplan for the Centex Homes (Sterling Residential Neighborhood) property in West Hills, California.

Public Meeting

August 25, 2005

7:00 pm

**DeVry University – Commons Room
22801 Roscoe Boulevard
West Hills, California 91304**

DTSC will ensure that the environmental investigation and subsequent cleanup action are conducted according to federal, state and local regulations. All soil sampling and cleanup activities will be done in a manner that is protective of human health and the environment, to make certain there will be no health risk to the West Hills Community.
